A Journey Through the Music of Pink Floyd

Atom Heart Floyd

<https://www.facebook.com/atomheartfloyd/>

Made up of five core members, with collectively over 75 years of studio and live performance between them, the band aim to sonically reproduce Pink Floyd's music as accurately as possible with a stage show to match.

The band combine live musical performance with the latest digital technology to perform fan favourites from across Pink Floyd's back catalogue, including hits from The Wall and Wish You Were Here, right up to their final album, The Endless River, capturing the essence of Pink Floyd's iconic live and studio sound.

Fantastic musicianship and sound combines with a great light show to deliver an unforgettable great aural and visual experience.

Playing across the United Kingdom since 2017, Atom Heart Floyd are the band to see for Pink Floyd fans, both young and old alike.
