Ma Polaine's Great Decline

<https://www.mapolaine.com>

After 2020's album tour that never was, Somerset based duo Ma Polaine are ecstatic to be back on the road

With influences in blues, jazz and country Ma Polaine have drawn comparisons with many, with references to Billie Holiday, Tom Waits and a "moody Mary Margaret O'Hara", yet Ma Polaine's sound is very much their own. Beth's distinctive, emotive vocals coupled with her evocative lyrics create a compelling mix of abstract tales, dark humour and raw beauty, whilst Clinton's understated guitar style supports with rich chords and gritty riffs.
