### **Kyson Point**

**<https://kysonpoint.com>**

Kyson Point is husband and wife duo  
Kelly Bayfield and David Edward Booth.

Songs of sincerity from the rugged  
Pennine hills and wide-open Suffolk skies,  
filtered through classic  
Laurel Canyon and contemporary  
English folk. Tenderly delivered  
harmonies, gently draped over a rich  
guitar and piano base, hold a true mirror  
to an often cold life, whilst always  
seeking the warmth.

### **Lexie Green**

**<https://lexiegreen.com>**

Lexie returns to Colne Delta with a Solo performance.

LEXIE GREEN is a multiple genre singer/songwriter  
who's influences include Americana, Vintage Blues,  
Gospel, Country & good ole Rock 'n' Roll.  
Her passion for songwriting and hard work has  
gained her a number of International song writing  
awards (including both semi-finalist and commended  
entries for The International Songwriting Contest),  
multiple album releases to critical success, BBC  
Radio airplay, chosen by and to perform for 'Bob  
Harris'
