Eddy Smith

<https://eddy-smith-music.com/about>

Captivating audiences with his unique, husky voice and tasteful piano accompaniment, Eddy Smith has been making his mark on the UK's growing Americana scene. Widely recognised as one of the major male vocalists on the Country Soul and Blues circuit, his infectious melodies and soulful songwriting has drawn comparisons to the likes of Joe Cocker, JJ Grey and Marcus King to name a few.

Having sold out their debut album launch in London, along with international radio play and TV features, the band are well and truly on their way towards a bright future.

MG Boulter

<https://www.mgboulter.co.uk>

M G Boulter is a songwriter and musician living on the Thames coast in Essex, UK. Serving his apprenticeship in numerous bands in the hotbed of the Southed-on-Sea pub rock scene (the precursors of which were household names such as Procol Harem, Dr Feelgood and Eddie and the Hotrods), M G came to lead, as singer and guitarist, the popular country rock band The Lucky Strikes, who Q Magazine once likened to "The Waterboys on trucker pills".
