Deep Six Blues is a five-piece blues and Americana band from Humberside, formed in 2022 by singer-songwriter Si Vix, a blues aficionado. He recruited members of the local jazz and blues scene to play and record what he calls the "Humber Delta blues." The band has toured extensively, performing in the UK and Europe, including notable appearances at the Great British Rhythm and Blues Festival. They released their first EP, *Big River*, in 2023, followed by their debut album *The Devil's Hand* in April 2024, which made the UK IBBA top 20.
