The Songs of Bonnie Raitt

Victoria's Big Easy

<https://colnedelta.club/vicsbigeasy>

A special project brought together by Victoria Skingsley-Bartholomew, Chris West and the two Gary's to bring you a celebration of Bonnie Raitt a singer, songwriter and guitarist whose unique style blends Blues, R&B, Rock and Americana. Her first album was recorded in the 1970's and for nearly 20 years she was a cult favourite. The breakthrough came with her Grammy award winning album Nick of Time in 1989. This took Bonnie to the top with numerous hit songs. She also won further Grammys in 1991 and 1994. In later years she has been inducted into the Rock and Roll Hall of Fame and as a Multi Grammy award winner she has shaped a legendary career. She, again in 2023 was honoured with three more Grammy trophies for her work on the album Just Like That.

Songs of the Folk

<https://songofthefolk.com>

A.T. and Lauren Cason are lifetime musicians who perform original American folk and blues songs that harken back to the roots music of the American South as well as the 1960s Folk Revival artists of NYC's Greenwich Village. It's Simon & Garfunkel mixed with early Dylan, with a touch of Leonard Cohen and a helping of true Piedmont blues fingerstyle guitar from North Carolina.
