Those Folk

<https://thosefolk.com>

Charismatic, authentic and thoroughly entertaining, Lawrence Menard (USA) and Clare Quinn (AUS) are the transpacific-troubadours known as 'Those Folk.' Having met in Scotland in 2012, they have since travelled extensively and lived in the pine forest mountains of California. They now hang their travelling hats in Pomona, Queensland.

A partnership forged in the fires of folk music, Those Folk explore sounds from the 1960's folk revival and contemporary Americana music. Breathtaking vocal harmonies are featured alongside rich instrumental work performed on guitars, mandolin, banjo and accordion. Lawrence & Clare are storytellers who make audience members feel like fast friends.
