### **Jon Amor Trio**

Having made his name as a guitar player with the legendary UK blues band THE HOAX, Jon Amor pushed the blues boundaries with AMOR, a band he formed with Wayne Proctor and Matt Beable.

That band made two incredibly good, ahead of time, ground-breaking albums before Jon went on to establish himself as a fine singer/songwriter in his own right, releasing a string of highly acclaimed solo albums. Along the way Jon also spearheaded the widely acclaimed JON AMOR

BLUES GROUP and played a key role in the Blues "supergroups" DVL, Birdmens and the all-star UK line-up of the THE BOOM BAND with Marcus Bonfanti, Paddy Milner, Matt Taylor and Mark Butcher.

### **Martin McNeill**

**<https://bottleneck-blues.com>**

Martin's album Cat Squirrel peaked at No 2 in the independent blues chart and was nominated for album of the year in the UK Blues Awards 2020.

Love a slide guitar? Because (and I'm not kidding) this is one of the best exponents around.

Martin takes some absolute classics and breathes life into them with a lightness of touch and a refusal to hide his Englishness, which makes him a natural successor to the 60s British Blues Explosion. He's brilliant...come and see him!
