### **The ARC Songwriters + BAND**

**<http://www.supertinyrecords.com/thearc>**

My Girl The River, Anna Howie, and Kate Ellis are all exceptional and tour independently, however on this occasion they come together, creating a unique experience for your listening audience, adding layers of beautiful harmonies, guitars and enchantment.

These three women perform songs that are instantly relatable - tales of Louisiana, Nashville, New York, England, life, love, loss and community. There will be tears, sing-a-longs, and all should leave with a smile and affected heart. All three artists have new music available and have all had the support of Bob Harris (Under The Apple Tree), Black Deer Music Festival, Maverick Festival, British Country Music Festival, Isle of Wight and more. They have had rave reviews and airplay. Producers have included Lukas Drinkwater (Emily Barker) and Neilson Hubbard (Mary Gauthier, Amy Speace).

They have toured with the likes of Robert Vincent, Kim Richey, David Olney, Fred Eaglesmith, Kevn Kinney, Caroline Spence, Luke Jackson, Martin Harley and Suzanne Vega.

### **Vic & the Vapour Rubs**

**<https://www.facebook.com/vicandthevapourrubs>**

"The Rubs" are a 5-piece band hailing from Brightlingsea. They comprise drums, guitar, bass, keyboard and an incredible female singer (Vic). Their blend of jazzy blues covers material dating back from the 1930s to the present day. Performing for us at this 'special', Vic and the band perform Jazzy Bluesy tunes that will definitely warm us up!
