This Circus Life

This Circus Life could be the best band you've never heard of. Their sound has been likened to Del Amitri, REM, World Party, The Lilac Time and Crowded House. Indeed, one reviewer described their single Falling Star as the best Crowded House song not by Crowded House!

My Girl The River

Created by Kris Wilkinson Hughes, My Girl The River was born out of a song. 'The Last Song' was the first song written for this Americana, alt country, folk and roots project. Kris, hailing from Louisiana (and having lived in Jackson, MS and Nashville, TN) and English bassist Joe Hughes, have created a gorgeous collection of songs. Don't miss them!
